

MIDDLE GILA CANYONS TRAVEL MANAGEMENT PLANNING PROCESS

Tentative Agenda – Workshop I

Thursday, March 15th, 2007

Casa Grande Parks and Recreation Office
404 E Florence Blvd, Casa Grande, AZ 85222

Overall objective: To provide input to BLM for the development of a proposed action for travel management planning in the Middle Gila Canyons.

Purpose of Workshop I:

- ❑ Review and clarify the key elements and requirements of the BLM travel management planning process, including the criteria for route designation
- ❑ Review Map 4, and identify areas of agreement and remaining areas of concern
- ❑ Cluster and prioritize areas of concern, and determine appropriate ways for resolving them

MIDDLE GILA CANYON TRAVEL MANAGEMENT PLANNING PROCESS

Tentative General Agenda for Public Workshops

Casa Grande Parks and Recreation Office
404 E Florence Blvd, Casa Grande, AZ 85222

Overall objective: To provide input to BLM for the development of a proposed action for travel management planning in the Middle Gila Canyons.

Workshop I, March 15 (1:00 – 7:00 PM):

- ❑ Review and clarify the key elements and requirements of the BLM travel management planning process, including the criteria for route designation
- ❑ Review Map 4, and identify areas of agreement and remaining areas of concern
- ❑ Cluster and prioritize areas of concern, and determine appropriate ways for resolving them

Workshop II, April 7 (9:00 AM to 5:00 PM):

- ❑ Summarize progress to date
- ❑ Discuss and seek resolution over remaining areas of concern
- ❑ Identify recommendations and next steps for resolving issues
- ❑ Document remaining points of disagreement

Workshop III, April 17 (5:00 to 8:00 PM)

- ❑ Summarize progress to date
- ❑ Identify remaining points of disagreement, including key hot spots
- ❑ Discuss and identify options for resolving remaining points of disagreement

Workshop IV, April 19, 4:00 – 8:00 PM

- ❑ Review progress to date, including a synthesis of points of agreement and remaining points of controversy
- ❑ Summarize current status of proposed action, indicating contributions from the workshop
- ❑ Identify any remaining opportunities or needs for next steps
- ❑ Clarify the timeline and decision-making process ahead
